SUPERINTENDENT

It is always a privilege to write something to the students of Keyes High School.

I wonder how important an education is to you. I know we all say we need an education, but really how important is it to you?

What is an education? According to Webster's dictionary, "education is the action or process of educating or being educated: the knowledge and development resulting from an educational process."

I believe this is true, but possibly to put it in everyday terms, we could say it is the everyday process of learning. Everything we do is a learning process. Some of it, of course, is repetition.

We might ask, "Why go to school and study?" I think the answer to that is obvious. We need to study each subject area to broaden our knowledge and ability to think and reason. Through this process we can solve problems in an easier manner.

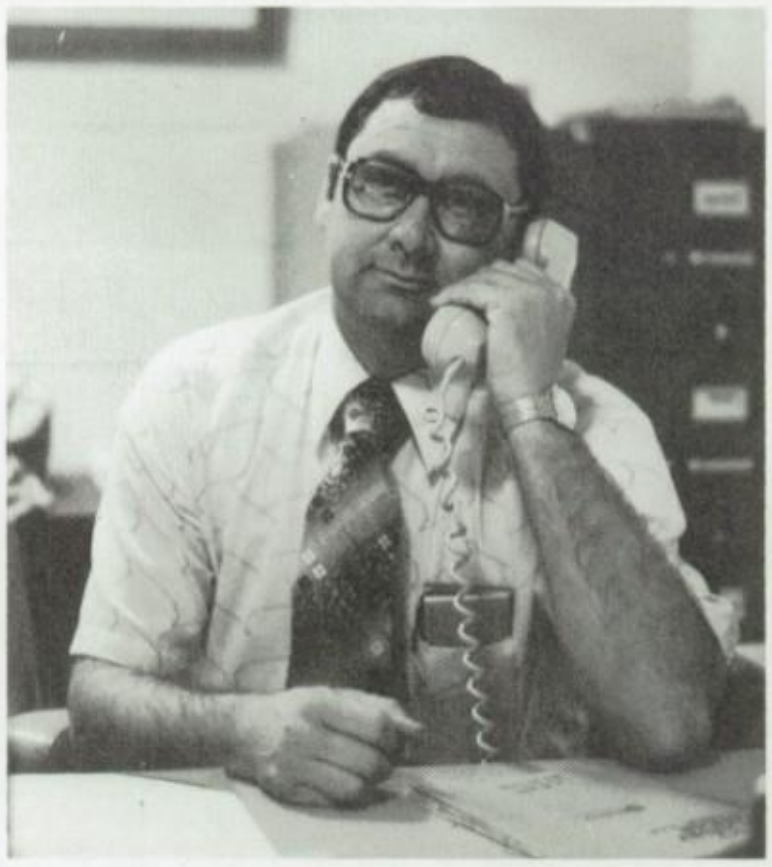
Education then is a disciplined study combined with everyday common sense. I challenge each of you to take advantage of the opportunity you have in obtaining a great, formed education; but combine it with good everyday common sense. One isn't of much value without the other.

I know we live in a world of unrest, but I have great confidence in you — the youth of our nation — to pull together and keep America strong. One of you could become president of the United States someday. Are you preparing yourself now for that job or any other thing you may want to be or do? Please, think through this educational process for yourself and place your own priorities. Don't let someone tell you to do it later. If you loaf, eat, and play today, you will probably pay for it tomorrow.

Good luck in your future and may God bless you every day.

Jasper N. Overton
Superintendent

1979-80 Principals and Secretaries



Mr. David Crenshaw — H.S. Principal

Betty Clifford — Prin. Sec.

Vera Harriman — Supt. Sec.

Mr. Dick Clifford — Grade Principal

These are the leaders of the Pirate ship. They help to keep the ship in order and running smoothly. Mr. Crenshaw is the High School Principal, and Mr. Clifford is the Grade School Principal. We are proud to have them at our ship's helm.

The Bus Drivers are the people who have the fun of noise every day as they take the students to school and return them to their home each day. The Cooks have a big chore to do every day as they prepare and serve lunch to many hungry students. The custodians have the fun of cleaning up the messes that the students make as they go about their daily routine. We all appreciate the work that they do.

LEARNING TOGETHER

We have finally made it to the First Grade. Together we are learning the right way to read and write. This will show us the way we will need to work in the future. This year there are nine of us in the First Grade and TOGETHER WE ARE BETTER.

The Elkhart Lumber Co.

WORKING TOGETHER

The Second Grade is finally here.
The end of the year is finally near.
The long days and nights at last are gone,
And we have worked and planned this long.
For together we are strong.
Two years are past, Ten more to go.
We are hoping they won't go slow.

Sliding into 1980.

Here we are the Second Graders of 1980.

3rd Grade

We come to school to learn about a truth we can meet and witness. While searching for it, we find a common bond which ties us together with more strength. When we make it to high school, our class will be the strongest because we learned the meaning of togetherness.
Our teacher helps us to discover this truth through gentle persuasion and guidance, but most of all we help each other by caring enough to form a bond of togetherness.
Together we are Better!

Fourth Grade!

4th GRADE

With common goals and common longings we laugh, we love, we play, and we win together. These are our school days and our happy days. They are real because we make them real. They are alive because we exist. When these school days are gone and when we are faced with the unknown days of tomorrow, we will not be alone because together we are better!

5th Grade

Our class is starting at the bottom and developing a foundation upon which to grow and mature, and we are gaining from each passing day. Individually and as a participant in the activities of our class, we are developing our own values and goals. We learn about life, about others, and most of all about ourselves. Together we are better.

Fifth Grade!

6th Grade

Once again we are united. Together we work, and together we play; work for tomorrow, and forget yesterday. Our strength is doubled; our potential is strong. Once again our spirits will climb when the end of April finally arrives, and all the hours of work put into our imaginative minds will come to an end. Together we are better!

Sixth Grade!

Jr. High

'79-'80 Class Officers S. Strasner — V. Pres.; T. Foust — Pres.; R. Simpson — Sec.

Being in Jr. High, the 7th and 8th grade students have had rough days as well as good times, but this special bunch certainly made it. They ranked their classes from favorite — math and English — to less favorite — history and science. Several agreed that the best quality of Jr. High was basketball; whereas other remarks were — looking forward to being in High School and absolutely nothing at all. They all agreed that their main objective was to do things with each other, for . . .

THE CLASS OF "1981" STAYS BECAUSE TOGETHER

This is the class of 1981.
When we finish, we will think we have won.
When the trial of school is done,
Then we will have to know that we have won.

We are the class of 1981.
Together we have found
That we are better
If we stay together.

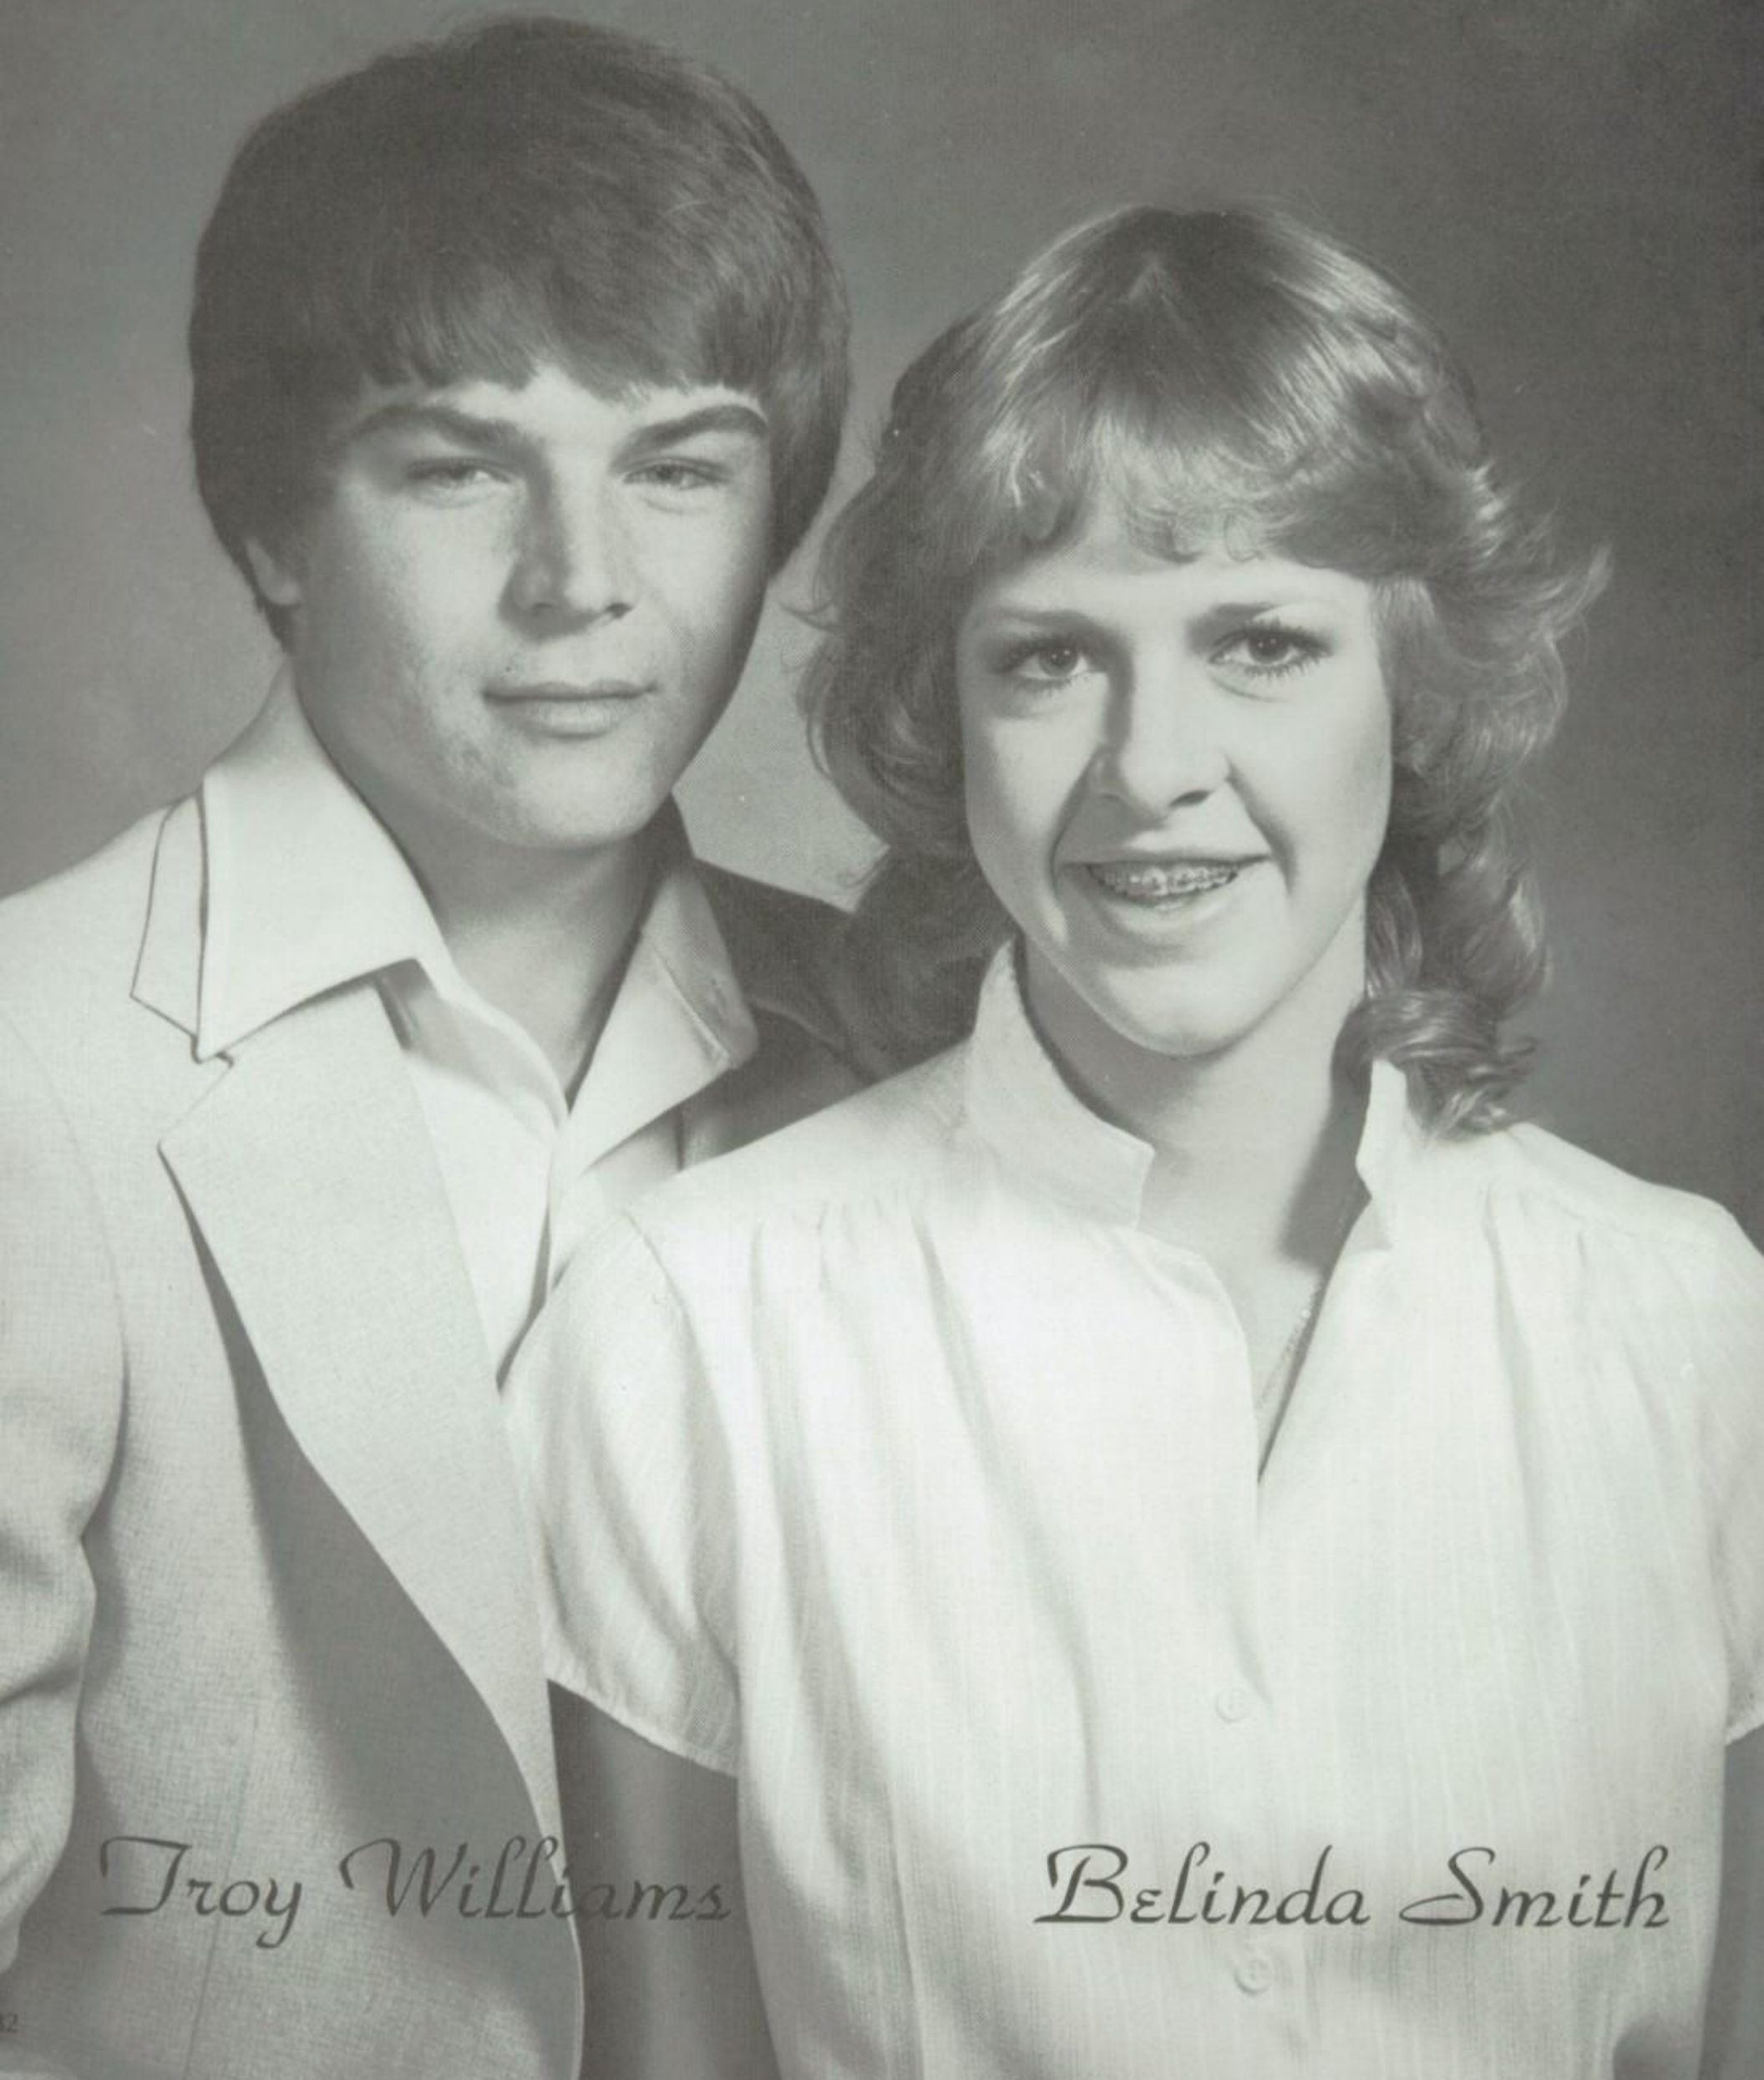
Mr. and Miss KHS



Troy Williams

Belinda Smith

Yearbook Queen

Miss Donna Groves

This year's Yearbook Queen, Miss Donna Groves, has added spice and enjoyment during the year with a few tricks now and then. She had been one of the few hard workers while the rest have had to have Mrs. Rhoton tell them day after day to work. Donna has been in yearbook for two years. She plans on attending Panhandle State University and majoring in accounting. Donna has been a big help these two years and shall be missed in the making of next year's annual.

Congratulations

Queen Laurie Hitchings

Football Court

We look back and remember the happy time, feeling the reward of two bright faces at the calling of their names. At other times we remember the sadness at the outcome and injuries of the game. But that existence was one of the constant beginnings and continuous endings that filled our lives and our memories.

Royalty Kiss

On Tuesday, February 12, 1980, it was a very exciting night at K.H.S. Everyone awaited the outcome of the events with great excitement. Seniors Troy Williams and Belinda Smith were crowned Basketball King and Queen. Alan Shuff and Brenda Percifield assisted with the coronation. Belinda received a sash, a tiara, and a royal kiss. Troy received a trophy, a sash, and his kiss.

The waiting is over.

1980 Hall of Fame

Each year, a group of Keyes High students are installed in the annals of the school as a member of the Hall of Fame. The winners were nominated by the faculty, elected by the student body, and named at the All Sports Banquet. This was an important honor for the winners since both the faculty and the student body of KHS were involved in the outcome.

Band King and Queen

On May 6, 1980, the Jr. and Sr. high school band chose as their Band King and Queen, Enoch Elms and Laurie Hitchings. Enoch received a sash and a billfold. Laurie received a sash and some blue and white carnations. This was a very exciting and amusing event for all who attended.

Enoch and Laurie

ACTIVITIES

HONOR SOCIETIES

L. to R., Tere Williams, Laurie Hitchings, Enoch Elms, Mike Sparkman, Tisa Adams.

NATIONAL

OKLAHOMA

Among the many honors that a KHS student can receive are the National and Oklahoma Honor Societies which are the highest academic honors that this school offers.

The Oklahoma Honor Society is strictly based on grades and is bestowed by the state of Oklahoma. Each year the top 10% of the students with the highest grade averages of the school is named to this society.

The National Honor Society is based upon leadership, service, and character as well as scholarship. Each student in the high school is rated by the teachers, and only the ones with the highest ratings are given this award.

To be named to one of these societies is definitely an honor not to forget.

Seated, Debbie Cochran, Tisa Adams; Standing, Enoch Elms, Billy Walker, Bob Cochran, Todd Hitchings.

'80 YEARBOOK STAFF

Mike Sparkman

Darrell Groves

Enoch Elms

Kim Hanes

Think up a theme; Pick out a cover.
We're in the starting stages.
Loud screams and violent rages.
We're done with the division pages.

Stamp your pictures; Number your pictures
Put 'em back to back.
From a mini-pak to a quad-pak.
The typing is all we lack.

Techni-cropper, grease pencils.
We used strange contraptions.
Some copy and some captions.
We sometimes made adaptions.

Use a ruler; Crop your pictures.
Sure, it looks fine.
A rule-line, a pin-line.
Gotta meet the deadline.

We laughed; We cried.
Our spirits were replenished.
Our worries have diminished.
For a great yearbook we have finished.

Student Council

The student council is an organization that will communicate for a school. It is a service rendering a needed function to speak for a school as well as for the students involved. The student council evolved from student ideas, interests, energies, and abilities.

It involved the play that was work and the work that was play.

Band

Music is more than a sheet of paper covered with notes; it is a copy of the composer's emotion and the performer's interpretation. As the band performs or analyzes compositions, these students gain insight into the beauty of music.

Desperate Ambrose

It all started when Ambrose Groves and Bert Miller were crossing the desert headin' for California. They were kicked off the train cause someone had picked their pockets. After trudging over the desert they blew into Dead Man's Gulch. Homer the Kid and his pal Gun Smoke Cartier, two hard-shooting, hard-riding cowpokes were expected to breeze into town at any moment. When Ambrose and Bert hobble into town, they are mistaken for two fearless cowpunchers. Ambrose is taken for the hero, Homer the Kid. He is beaten by Hoot Owl Pete and is almost hung by Stinkweed.

Grade Musical

Music is fun for everyone, and that includes the grade school who enjoyed performing "Electric Sunshine Man." This musical was directed by Mr. Erwin Elms with the help of the grade teachers; and, of course, let us not forget all the students — grades K through 6 — who did a beautiful job performing and singing about Thomas Edison and his many inventions.

Seniors

We are the Class of '80. It is hard to believe that we are finally here. It seems like just yesterday when we first started out in 1968. We started out with 19 students, and now we have a total of 21, 10 of which have been here the whole 12 years. It won't be long now before we are out on our own, either going to college or working. The Class of '80 has come a long way, but we will make it because 'Together we are better.'

Ushers Standing L-R; Laqueta Golay, Curtis Cayton, Kim Hanes, Tere Williams, Honor Guards, Sitting L-R; Tisa Adams, Bob Cochran

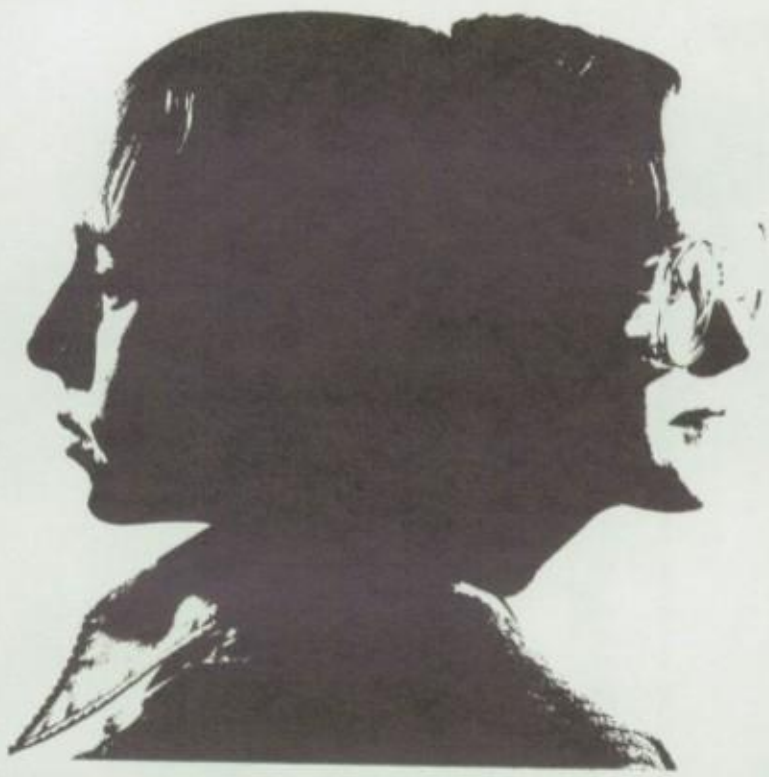
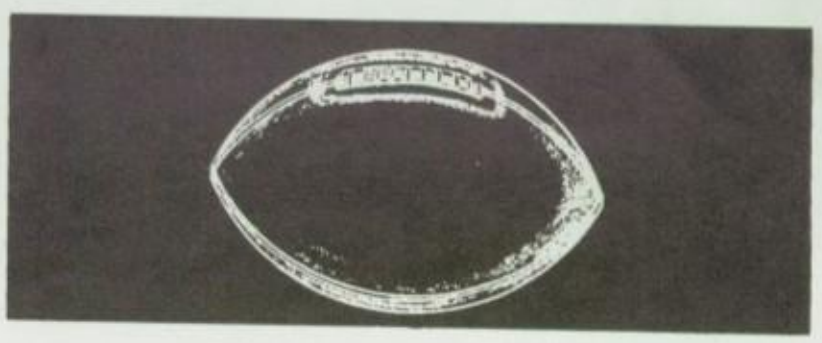
SPORTS





1979-80 FOOTBALL SQUAD . . . TOUGH

In the 1979 Football season,
It started out very pleasin'.
We worked hard and had our hopes,
So every morning we ate our oats.
We practiced every morn and night
So that we would gain some might.
We worked long and hard,
And at the end we were tired.
As the football season got underway,
It was very fun to play.
Though injuries were in the way,
We can truly say
That when all was said and done
We had a lot of fun.

Cheerleaders

Cheerleading is not all the love and fun that everyone thinks it is. It's hard work and a lot of dedication. It begins at camp for a week which starts a cheerleader's year off at the bottom of the pole, but it does get better! The satisfaction comes when your team wins a game, and you think just maybe you helped them a little!!

KHS TRACK

This year the KHS track team was very small in number but very competitive. Larry Stark tied for 3rd in the high jump at the Turpin track meet. Debbie Cochran placed 5th in the Turpin Invitational Meet, 2nd at the Panhandle Conference Meet at Forgan, and she placed 3rd in the Regionals. This qualified her to go to state May 3. I would say our small track team has done a very good job this year, wouldn't you?

We came. We saw. We conquered.

But through the exciting rush of events, we stuck together. Through thick and thin. Through good and bad. Through joy and sorrow. "Why?" you may ask? Because "TOGETHER WE'RE BETTER." *We hope you will enjoy the "1980 Pirate" as much as we have enjoyed putting it together for you.*

The 1980 Pirate Staff

To Mary an all star football player!

I like you
a lot.
Youre super
~~for~~ nice!

Love,
Teri

Mary Lee,
Well, Sorry, you're a furry little girl with a lot to say. You be good cause I'll whip you! Hh No, just kidding!
Love,
Lisa

Mary Lee,
Good luck in the future and remeber me,
Love
Missy Hagan

Mary Lee,
Hope you have good luck for the rest of the days and don't forget the days at Hayes Elementary!
Love,
Dana Arthaud
